Willamette Valley

North Willamette Harvest Trail, October 4 and 11

Experience the harvest of the North Willamette Valley in one day during the guided bus tour of three area wineries and a bonus Kura tour at SakeOne Brewery. Guests will be tasting wines and pairings while learning about different stages of harvest at each stop and enjoying a lunch at one of the vineyards. The tour moves from vineyard to crush pad to winery, allowing guests to pick grapes, press fruit, help with punch downs and join other hands-on harvest activities. Tickets are \$95.
